

NATIONAL (President, Congress, Cabinet, National Agencies, DC)	STATE (Governor, General Assembly, University of Illinois, Springfield)	LOCAL (Mayors, School Boards, City Councils, Police, etc.)

American History: Federalism in the News

Name: _____

Federalism defines a government that divides powers among three levels of government: national, state and local. Each level performs certain duties to best serve citizens. This structure is noticeable especially in the event of natural disasters. Your job is to find references of national, state and local governments in action on news or government websites. Catalog news stories into the appropriate column.

NATIONAL (President, Congress, Cabinet, National Agencies, DC)	STATE (Governor, General Assembly, University of Illinois, Springfield)	LOCAL (Mayors, School Boards, City Councils, Police, etc.)
